

2017-2018 OGIM Public Training Schedule (Version 0.5)
Level 1 : High School level and Operator
Level 2 : Engineer and Technician

Course Name	Language	Level	Start date	End date	Duration (hours)
Anglais technique	French	High school level and Operator	16-Mar-18	16-Mar-18	6
Chimie appliquée au pétrole	French	High school level and Operator	19-Mar-18	23-Mar-18	24
Notions de gisements pétroliers	French	High school level and Operator	26-Mar-18	30-Mar-18	30
Les fondamentaux des opérations de forage	French	High school level and Operator	31-Mar-18	8-Apr-18	15
Traitement & injection d'eau	French	High school level and Operator	3-Apr-18	3-Apr-18	3
Electricité	French	High school level and Operator	7-Apr-18	9-Apr-18	9
anglais général	French	High school level and Operator	10-Apr-18	16-Apr-18	12
La complétion des puits	French	High school level and Operator	11-Apr-18	13-Apr-18	18
Activation des puits	French	High school level and Operator	16-Apr-18	19-Apr-18	21
Les opérations sur puits	French	High school level and Operator	30-Apr-18	2-May-18	9
Séparation de brut	French	High school level and Operator	8-May-18	10-May-18	18
Traitement de Gaz	French	High school level and Operator	14-May-18	19-May-18	9
Les opérations de base en production	French	High school level and Operator	21-May-18	21-May-18	6
Corrosion	French	High school level and Operator	22-May-18	22-May-18	6
Les installations de production de surface et utilit	French	High school level and Operator	23-May-18	26-May-18	24

2017-2018 OGIM Public Training Schedule (Version 0.5)
Level 1 : High School level and Operator
Level 2 : Engineer and Technician

Course Name	Language	Level	Start date	End date	Duration (hours)
Directional Drilling and Well Surveying	English	Engineer and Technician	10-Jan-18	12-Jan-18	18
Mud Logging	English	Engineer and Technician	16-Jan-18	16-Jan-18	6
Drilling Hole Problems	English	Engineer and Technician	17-Jan-18	18-Jan-18	12
Drilling Special Operations	English	Engineer and Technician	22-Jan-18	23-Jan-18	12
Reservoir Fluids Properties	English	Engineer and Technician	24-Jan-18	26-Jan-18	18
Open Hole Logging	English	Engineer and Technician	29-Jan-18	31-Jan-18	15
Cased Hole Logging	English	Engineer and Technician	31-Jan-18	2-Feb-18	15
Well Testing	English	Engineer and Technician	7-Feb-18	9-Feb-18	18
Reservoir Performance	English	Engineer and Technician	13-Feb-18	16-Feb-18	24
Seismic for Reservoir Characterization	English	Engineer and Technician	1-Mar-18	2-Mar-18	9
Fluid Flow in Porous Media	English	Engineer and Technician	5-Mar-18	6-Mar-18	12
Gas Reservoir	English	Engineer and Technician	7-Mar-18	9-Mar-18	18
Well Completion	English	Engineer and Technician	12-Mar-18	14-Mar-18	18
Fractured Reservoir	English	Engineer and Technician	15-Mar-18	16-Mar-18	12
Numerical Simulators	English	Engineer and Technician	21-Mar-18	24-Mar-18	24
Introduction to Oil and Gas	English	Engineer and Technician	2-Apr-18	2-Apr-18	6

2017-2018 OGIM Public Training Schedule (Version 0.5)
Level 1 : High School level and Operator
Level 2 : Engineer and Technician

Course Name	Language	Level	Start date	End date	Duration (hours)
Petroleum Geology	English	Engineer and Technician	3-Apr-18	5-Apr-18	18
First Aid	English	Engineer and Technician	4-Apr-18	4-Apr-18	3
Well Stimulation	English	Engineer and Technician	5-Apr-18	6-Apr-18	9
MBAL Software Introduction	English	Engineer and Technician	6-Apr-18	6-Apr-18	3
Geological Field Trip	English	Engineer and Technician	6-Apr-18	8-Apr-18	18
Well Performance and Nodal Analyses	English	Engineer and Technician	9-Apr-18	11-Apr-18	15
Artificial lift	English	Engineer and Technician	11-Apr-18	13-Apr-18	15
EOR and Water Flooding	English	Engineer and Technician	16-Apr-18	18-Apr-18	18
Reservoir Monitoring and Management	English	Engineer and Technician	19-Apr-18	19-Apr-18	6
Well Operations	English	Engineer and Technician	25-Apr-18	27-Apr-18	18
Oil processing	English	Engineer and Technician	2-May-18	5-May-18	21
HSE In Oil & Gas Industry	English	Engineer and Technician	7-May-18	8-May-18	12
Gas Processing	English	Engineer and Technician	9-May-18	11-May-18	18
Surface Production Facilities	English	Engineer and Technician	15-May-18	16-May-18	12
Water injection Treatment	English	Engineer and Technician	17-May-18	17-May-18	6
Offshore Production Operations	English	Engineer and Technician	18-May-18	18-May-18	6

Course Name	Language	Level	Start date	End date	Duration (hours)
Petroleum Tax Legislation	English	Engineer and Technician	22-May-18	22-May-18	6
Petroleum Economics	English	Engineer and Technician	23-May-18	25-May-18	15
The Fundamentals of Unconventional Reservoirs and Hydrocarbons	English	Engineer and Technician	28-May-18	28-May-18	6
Project Management	English	Engineer and Technician	29-May-18	29-May-18	6
Petroleum Geophysics	English	Engineer and Technician	29-May-18	30-May-18	9
Process Control & Instrumentation	English	Engineer and Technician	30-May-18	31-May-18	12
Fluid Mechanics	English	Engineer and Technician	31-May-18	1-Jun-18	12
Pre-drilling Operations & Rig Components	English	Engineer and Technician	19-Jun-18	20-Jun-18	12
Wellhead and BOP and Well Control	English	Engineer and Technician	21-Jun-18	26-Jun-18	24
Drill Bits & Drilling Parameters	English	Engineer and Technician	27-Jun-18	29-Jun-18	18
Casing and cementing	English	Engineer and Technician	2-Jul-18	4-Jul-18	18

Training Fees:

- * 150 dinars VAT excluded per day (6 hours/day), for students and jobseekers.
- * 200 dinars VAT excluded per day (6 hours/day), for professionals, lunch included.
- Other modular training courses can be added to this program

Contacts :

To register for one of these courses of Professional training program, please contact Ms Asma TRIMECHE, in charge of Diploma and modular training :

** Phone number : (+216) 27 117 117

** Email Adress : asma.trimeche@ogim.tn

- For inhouse or public training courses, please contact Mrs Hiba DAGDOUG, in charge of professional training and IWCF courses coordinator :

** Phone number : (+216) 28 123 124

** Email Adress : hiba.dagdoug@ogim.tn
